Dear Parents and Students:

The Christmas Season is upon us and we would like to take this opportunity to wish you and your family best wishes for a relaxing, loving Christmas and a New Year filled with health and prosperity. Please accept this special gift to you and your family from the Montrose staff.

It gives me great pleasure to acknowledge our school secretary, Phyllis Bennett, who has devoted so much time and energy to preparing this Christmas Booklet. I am sure your children will enjoy looking at pictures of themselves and their classmates and will cherish this keepsake for many years to come.

Sincerely,

Dear Parents,

1997 is quickly drawing to a close and we are all looking forward to spending some special time with our families over the holidays.

Your children will soon be home, enjoying a well-earned break from their school term. They have been working diligently since September and, indeed, this term has already seen a good deal of success. The winning partnership between staff and parents has played a key role in these achievements. Thank you for supporting our efforts by encouraging your children at home and taking an interest in their work. We are proud to be your partners in helping your children reach their goals.

We are sure that 1998 will be another year full of accomplishments. All the best to you and your family for a very happy and prosperous New Year.

Warm regards, your Board of Trustees,
